RE: River Dance Condominium Painting Project

Donny,

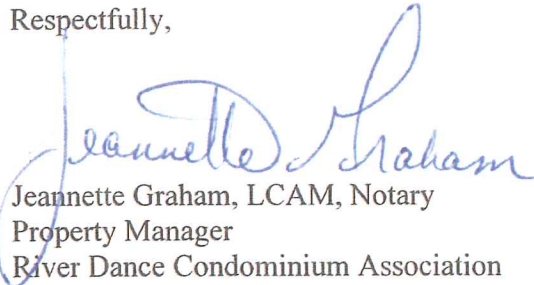

River Dance Condominium Association would like to thank you for the wonderful job that you did painting and waterproofing our building during the summer of 2014.

Not only was your staff courteous and professional, but they were excellent in keeping the lines of communication open between your company and the Association. The project proceeded in an efficient and timely manner, which allowed for the least inconvenience for our Residents and staff.

Our Association cannot speak highly enough of the quality of workmanship, the timeliness of the project and the professionalism of you and your staff. We look forward to a continued relationship with your company for both our painting and concrete restoration needs.

Again, River Dance would like to thank you for the wonderful services provided by your company.

Respectfully,

  
Jeannette Graham, LCAM, Notary  
Property Manager  
River Dance Condominium Association
