

LETTER OF RECOMMENDATION
Concrete Painting & Restoration

June 10, 2015

To whom it may concern:

It is my pleasure to write this letter of recommendation on behalf of Donny Morelock, Owner, and General Manager of Concrete Painting & Restoration (“CPR”). This past winter Stonehaven Condominium Association contracted with CPR to complete a large painting project.

Mr. Morelock proved to be knowledgeable about all aspects of our project. In addition, he was able to plan, coordinate, and manage activities effectively, and remained closely involved in overseeing the project from start to finish, a direct result of the project completing 4 weeks ahead of schedule.

The scope of the project was painting (12) – 2 story stucco buildings and the pool house. Including pressure washing of all (12) clay tile roofs and the buildings surfaces, sealing of any open penetrations and stress cracks, application of sealer and finish coat.

Inherently a project this size project can be stressful for residents, board members and managers alike, CPR’s services were invaluable in successfully eliminating any such stress. The quality of work done was consistently top notch. The employees were competent, courteous, and conscientious about following project specifications and respecting the residents.

We will definitely hire CPR in the future!

Respectfully submit on behalf of the Board of Directors for Stonehaven Condominiums

Best regards,

A handwritten signature in black ink that reads "Kathryn Harrigan". The signature is fluid and cursive, written over a light blue horizontal line.
