To whom it may concern:

I had such a wonderful experience working with CPR Painting and Restoration. I expected to be on property every day to see how things were going. Pam Lutz and Donny Morelock made my job so much easier. They were always on property making sure things were running smooth. Pam informed me of each step, she helped organize communication with the owners and tenants to let them know when CPR will be at their building and which Saturday they would be on property to paint the 2<sup>nd</sup> floor lanais

We had an incident with one of the lanai screens and when I informed Pam, she was on it. Towards the end of the project a new foreman came on board and I thought things wouldn't be the same. Well, even with a change in staff, CPR pulled together and continued to offer great customer service, to me as the Manager, to the owners, and kept up with their work and communicated to all involved in this project, no one was left out of the loop.

The team that CPR put together for Stoneridge Condominium did a great job, they were easy to work with and very professional. When I get another painting project, CPR will be the first on my list.

ADVANCED MANAGEMENT OF SOUTHWEST FLORIDA, INC.  
As Managing Agent for the Stoneridge Condominium Association, Inc.
