To Whom It May Concern:

I am writing this letter as a reference for the services of Concrete, Painting and Restoration (CPR). I have recently used CPR to paint the aluminum gates at one of the communities I manage. They handled the whole process, from submitting their proposal to bringing in the paint representative to discuss the paint with me and finally completed the project, very professionally. Their quality of work exceeded expectations and I would certainly use them again.

I'm happy to recommend the services of CPR. If you have any questions, feel free to contact me.

Sincerely,

Matthew D. Wilson, CMCA, AMS, PCAM
