

Boca Ciega Point East Sixteen Condominium Corporation, Inc

Hi Donny,

The committee met Tuesday evening and everyone seems to be very happy with the final results.
(Amen!)

I'll be forwarding the final invoice to Frank Picardi, our treasurer. He'll probably get to it this weekend, as he works full time.

On behalf of the Painting Committee and the unit owners I want to thank you and your crew for the great job. CPR & Co. has made our forty-three year old buildings look young again.

We appreciate it,

Carol Moreau, Board President
