

River Dance Condominium Association

Hi Brando,

I have been in NH since June 8 and I don't know if you decided on a painting contractor yet but I have to tell you CPR PAINTING has exceeded all of my (and all residents) expectations. They have done things that are not in there contract that there people discovered and most are no extra charge to us. I am only passing this on to you because we are so pleased with the quality of the work and the employees. Hope all is going well with you and will see you in Sept.

Best,
