

## Tierra Verde Property Management, LLC

To Whom It May Concern:

I have worked with Donny Morelock of CPR for quite some time now, and am pleased to recommend his company for any job he might be considered for (I haven't found anything he can't do yet!).

As the owner of a condominium management company, I frequently have a variety of work that needs to be done. Donny & his staff have been great to work with, and are accommodating in working the individual property's needs.

CPR has done stucco repair, door replacement, concrete work, waterproofing, sealing, and siding repairs for me, and was just awarded the painting contract to paint one of my associations.

I would strongly recommend his company for any work you might be considering.

Sincerely,

Susan Rouanzon, C.M.C.A., A.M.S.
