

# Harbor Towers Yacht & Racquet & Club

July 2015

To Whom It May Concern:

It is with pleasure that I am writing this letter of reference for "CPR" Concrete Painting and Restoration.

CPR was contracted to paint Harbor Towers on Siesta Key in the fall of 2014. From the initial meeting to the final inspection, I found Donny Morelock and his staff to be knowledgeable and professional.

As promised, the site was kept clean and the crews were in uniform. Regular communication between CPR management and me assured that the project was on schedule and the work was being performed according to the contract.

The quality of workmanship was superior and the finished product exceeded our expectations. A bonus was that the project finished ahead of schedule.

It is with confidence that I highly recommend CPR.

Sincerely,

*Margaret Smith*
