

REGATTA POINTE

LUXURY WATERFRONT CONDOMINIUMS

REGATTA POINTE CONDOMINIUM ASSOCIATION, INC.

Riverside Drive, Palmetto Florida

June, 2015

TO: Donny Morelock, President CPR

Donny,

I would like to take this time to say that it was a pleasure doing business with CPR.

Our buildings had not been completely painted in many years and were many shades of grey. Now they look beautiful Thanks to CPR and Behr Paint. We have been getting many compliments on the building and also on the workmanship.

From the time we went out to bid, your proposal was in first and had more detail then most others. Your price was also very competitive. The employees you had on our project were top notch! They were always here at 7:30 and started painting at 8AM, based on our requirements. All your employees were very professional, friendly, and took very few breaks, never swore and all had earbuds for their music. Which was appreciated by our residents.

If we saw a problem it was taken care of without questioning. It was also appreciated that you personally inspected the job with us and took care of any issues that you or we saw that needed attention.

All the residents of Regatta Pointe are proud of the way our buildings look, not one complaint, so you must be doing something right!

Thanks for the Great Job!

Richard Benson,

2013 -2015 President Regatta Pointe Condominium Association
