

# Sea Oats of Redington Shores Condominium Association

10/25/2015

Dear Krista

I am sending you a special note of thanks for a great job well done by CPR Painting. The management of Sea Oats received many compliments from our guests regarding your staff and their willingness to accommodate our guests during their vacations. They let everyone know which floors were being painted and answered all their questions.

The cleanup and attention to detail is also appreciated.

Best Regards,

Linda Hatch, President  
Sea Oats Condos
